

## **Making the Rules**

Here are some questions to think about while making your rules for The Hunger Games.

- How many tributes will be chosen?
- What kind of arena will they put into?
- How many winners can there be?
- What will happen with the bodies when they're killed?
- What can they take with them?
- Will they have to earn gifts? If so, how?
- Can they work in teams?
- Will there be random surprises (fires, wild dogs, etc.)?
- What do they get when they win?
- How much training do they get?
